

BLM WH&B AVIATION MANAGEMENT HANDBOOK

9. Field Office Manager and State Director. As agency line officers, they are responsible and accountable for using aviation resources to accomplish agency programs. Only they can approve Project Aviation Safety Plans, operations and BLM aircrew. An overview of the aviation program is required.

C. WH&B Aviation Training Requirements:

1. All personnel involved in WH&B aviation operations must meet DOI and BLM aviation training requirements for the position that they are fulfilling at any given time. Current Training Requirements can be found on OPM-04 and are displayed in the following table.
